

Welcome to the 2019 school year. It promises to be a great year at Stockton Public School. Welcome to our new families who are joining us. We know that you will have an amazing time at the school.

It gives me great pleasure to step into the role of Principal at such a wonderful school held in such high esteem throughout the Newcastle region. I am looking forward to working closely with staff, students and parents in building on the strong traditions of the school while strengthening its capacity to deliver exciting and relevant curriculum to support our students in becoming successful 21st Century citizens.
